Software Engineer   Cognizant Technology Solution   June'19 – April'21

- **Accelerated Return on Investment (ROI) by 37%** by Upgrading Client System from SAP ECC to SAP S/4HANA that analyze business data in real-time.
- **Reduced Processing Time by 48%** by Replacing Third Party Database to SAP S/4 HANA In - Memory Database.
- **Decreased System Dump by 70%** by Implementing Auto Suggest Drop Down Menu Bar in each module of system.
- Reduced Bill Generating and Printing Time by 53% by restructuring API.
- Worked with **Large Scale Distributed Systems** and Perform over **100+** code review and modifications and single point of contact for all Java developments.

SKILLS

- Algorithm Design & Analysis, Data Structures, Object-Oriented Design, OS, DBMS, Distributed Systems, Design Patterns**.**
- **Programming Languages** – JAVA, SQL, SAP – ABAP.
- Amazon Web Services, Android Application Development, UNIX.

EDUCATION

Galgotias College of Engineering & Technology - B. Tech (Hons.), *Computer Science & Engineering*.   2015 - 2019

SIDE PROJECTS

Keeper Google App Web Version   *React.Js | Node | JavaScript | HTML | CSS*

- Implemented React Components, React Hooks and States to reduce the rendering time.
- Developed Blog Website and **5+** Web Apps.

Yoga & Daily Poses - Inspired Fitness   *Java | XML | Android Studio | Firebase*

- Worked with Active Android for database management, Material Design UI & created a totally Offline Application. It is available in Amazon App Store.
- Developed **Gym Trainer** and **10+** Android Applications.

ACHIEVEMENTS

- Secured **global rank 8 , 9** in Codechef's Challenge in the month of January and February 2021 among **26k+** participants.
- Contributed in **Open Source Community** and got Recognition and Swags from Intel and DigitalOcean.
- Highest rating of 2114 and rated **5*** at **Codechef** which ranks among the top sites for competitive programmers.
- Secured a rank 712 in **HackerRank HackFest 2020** over **50K** Participants**.**
- Solved 100+ Medium and Hard Level coding problems on **LeetCode**, top site for Problem Solving.
